RE: Request for Parking Variance

Dear Mayor Canizales:

The Town of Miami requested for a Parking Variance for Highway 60 on sections through out the town has been reviewed. In accordance to ARS 28-7053 *Misuse of public highway or airport* , the request for on street parking is approved between MP243.4 to MP244.2 (Plaza Ave to Corolova Ave) as shown on the attach exhibit.

ADOT looks forward to working with the town to complete the current project on US 60 through the Town of Miami.

Sincerely,
